The Wicked Witch of the West is a fictional character created by American author L. Frank Baum as the most significant antagonist in his classic children's novel *The Wonderful Wizard of Oz* (1900). In Baum's subsequent Oz novels, it is the Nome King who is the principal villain; the Wicked Witch of the West is rarely even referred to again after her death in the first book.

Brass, especially the work hardened brass of the walls and shoulder of a cartridge, has a certain level of spring-back. When the brass is bent or formed it will move back to its original position, not much maybe a couple thousandths of an inch, but when the cartridge is fired the case expands and is pressed against the walls of the chamber, the brass then will spring back and become a couple ...
