The process theory of composition (hereafter referred to as "process") is a field of composition studies that focuses on writing as a process rather than a product. Based on Janet Emig's breakdown of the writing process, the process is centered on the idea that students determine the content of the course by exploring the craft of writing using their own interests, language, techniques, voice ...

The rock engraved image to the right is called a fravahar or farohar (also spelt faravahar). It is an image found on rock inscriptions and carvings commissioned by the ancient Persian Achaemenian kings. The image is usually portrayed above the image of a king, and the figure in the farohar is identical to the king below in features as well as clothing.
