

### **hitman game guide pdf**

Hitman Game Guide. Hitman is another installment of the series in which the player becomes the famous killer Agent 47 and he tries to eliminate important targets without informing any bystanders of his actions. During his missions, the main protagonist uses his innate instinct, professional equipment and the ability to interact with the world.

For the most part, player activated checkpoints are handy if you are running through the game and want to explore and test each level's limits before completing it on Hard, Expert or Purist. The most hardcore Hitman players will have no need for checkpoints, as they've conditioned themselves to do the perfect run.
