

### **i me mine george pdf**

"I Me Mine" is a song by the English rock band the Beatles from their 1970 album Let It Be. Written by George Harrison, it was the last new track recorded by the band before their split in April 1970. The song originated from the Get Back/Let It Be sessions in January 1969, and its lyrics serve as a comment from Harrison on the fractious situation within the group at that time.
