The title story, "Long After Midnight", would do well to be re-published in the New Yorker today. I also really liked "Interval in Sunlight", which I have not seen anywhere else and which was first published here. It's painfully modern and more in the field of human nature's ability to terrorize the self.

Long After Midnight: Ray Bradbury, Michael Prichard

Long After Midnight is a nice collection of short stories that have taken me back to my youth in an enjoyable, easy to read manner. I have, over the years, reread this book several times as I have found it to have different meanings at different times of my life. A great book for casual reading that can be picked up any time.
