The following is a guest post by Sergio Maldonado, the founder and CEO of SweetSpot Intelligence. The above cartoon by Tom Fishburne was not part of the original article.. I have seen the Emperor walking naked for too long, and I wish I could be that naive kid in the crowd. I do not believe in marketing attribution. Beyond the combined power of algorithms, data, software and professional ...

Enabling women to control the number and spacing of their children is essential to reducing maternal deaths and human misery. Over 200 million women, mostly in the least developed countries, want to use modern family planning methods but can't access them, facing cultural barriers or family resistance, or not having access to contraceptives, or there is a lack of information or trained workers ...

Although each stream looks alike outwardly, they are vastly different. The one on the left is known in our literature as the Sons of Cain. They are full of positive energy and are the craftsmen of the world, the three messengers, who carve their way through life, rather enjoying the obstacles which they know strengthen the character; they
