vii Introduction This is a practical manual of self-transformation. It takes the form of a working edition of the mythological poems of the ancient Norse Poetic Edda for modern "œpagans" who practice the magic and religion of the North. The poems of the Poetic Edda form the most complete and authentic body of surviving pre-Christian Germanic religious and magical lore.

Occult Books for sincere seekers. At this special season it is customary for us to thank our readers for their many kind expressions of appreciation. Rather than publish a light-hearted story as an extra 'thank you' as we

usually do, we offer something completely different this year: an investigation of the esoteric truths concealed in Handel's Messiah.
